

## Colorado Athletic Club Monaco Rules for District Championship Events

Your teams' cooperation with the club's rules will be very helpful in preserving the great relationship we have with Monaco.

Management at Colorado Athletic Club Monaco has requested that our players refrain from parking in their parking lots during our events. The parking lots are relatively small and the goal is to make sure that members of the club are still able to park in the lots while we are using their facility.

### **Important rules for all players to follow:**

1. Do not park in the Monaco parking lots. Also, do not park in the lot for the dentist office. The dentist office will tow if you park in their lot.
2. Anyone who is not a member of Colorado Athletic Club Monaco will need to check in at the front desk.

Best of luck during Districts!
