If you entered player name or team name, you'll have to click on the team name.

Step 4:

<u>Steps to Finding Captains' Phone Numbers</u> (You must be listed as the Team Captain to access this info)*

<u>Step 1:</u>

Follow steps 1-3 above to get to the standings screen.

<u>Step 2:</u>

Up near the top right corner of the box, it has the Flight name. Click on the Flight name.

<u>Step 3:</u>

Along the left side of the screen, under the Summary Button, click on the Team Coach/Captain Report. This report will list the current information for all the team captains in that flight.

If the Team Coach/Captain Report button does not appear, please check these items:

- 1. Check to make sure that you are logged in.
- 2. Check with your coordinator that he/she has you listed as the captain or co-captain of the team.
- 3. If both of these items are done and you still have problems, please contact the JTT Facility Coordinator.
